New Building: On schedule to open fall 2013

This picture was taken Oct. 5, 2011, at the groundbreaking ceremony for the new building that is to be the College of Pharmacy's location at WSU Health Sciences in Spokane. Associate Dean Linda Garrelts MacLean, an alumnus of the College, is posing here with pharmacy students. The students turned out en masse to show their appreciation to community and government leaders for supporting the funding of this building. Efforts to find partners to help furnish and equip the building are getting underway now.
