

PRECEPTOR BENEFITS

Preceptors are critical partners in educating future pharmacists. At WSU we greatly value you. While there are immeasurable benefits to educating students, your efforts also contribute to the welfare of the communities far and wide. As a land-grant institution, WSU is committed to serving the needs of communities.

WSU offers access to CEImpact and additional CE opportunities to support your ongoing learning.

Solidify your commitment to educating WSU students through a WSU affiliate appointment*.

WSU Library access. Available through an affiliate appointment*.

Extend your influence and community impact.

Contribute to the profession and help mentor the next generation of pharmacists.
