

# PRECEPTING TOOLS

As a WSU preceptor we have tools available to help provide robust learning experiences, and to reduce having to recreate the wheel!

Never hesitate to contact us with questions. Our faculty experts and staff are happy to help!

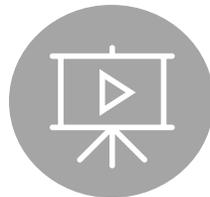

**CORE ELMS Document Library:** Find manuals, video tutorials, syllabi templates, incident logs, and more.

**Action Plans:** When a formal plan is needed to support a student in meeting expectations, use the CORE ELMS tool co-created with the student and preceptor.

**APPE or IPPE Student & Preceptor Manual(s):** these are go-to resources, that contain all applicable policies for rotations.

**CORE Readiness:** Access 1,000+ videos with quizzes in CORE ELMS. Create and share playlists for students to complete.

**WSU Syllabi:** Editable templates to customize for your specific rotation experience.

**CE opportunities:** Access on-demand CE through CEImpact in CORE ELMS. Additional opportunities are highlighted in our quarterly preceptor newsletter.

**Checklists:** We have tools to help you prepare for rotation students and in orientating students effectively.

**WSU Library access:** Through a WSU account access key resources such as UpToDate®. Available through an affiliate appointment\*.
